Quaint Cottage on Organic Farm!

Situated at the end of a country lane is this quaint 2 bedroom timber home set on a working organic farm on the beautiful Alstonville Plateau.

Located away from the main residence, you will enjoy peace and privacy from the screened back verandah while listening to the sounds of nature on your doorstep. From the front the views are picturesque and look out to the valley below.

Featuring stunning timber floors, high ceilings and lovely fret work, this home has old world charm but is not without the comforts of the 21st century including NBN availability, and ceiling fans through out.

The Master bedroom has access to the bathroom and is so spacious it could be halved and made in to two generous kids rooms, with plenty of built in storage for all. The Second bedroom is situated away from the main living area and enjoys a

large rumpus room which can be closed off from the rest of the home creating a parents retreat and with access out from there onto the covered timber deck for a morning coffee it is the perfect place to escape to.

With large yard and beautiful established trees there is plenty of room to play and if gardening and organic living is your thing then why not try your hand at a market garden, the owners are happy to share their knowledge with like minded people.

This property is on tank water only so would suit a couple or family who understand the importance of saving water.
